

AGRI-PREP CS

INGREDIENTS

Active Ingredients:

57% Nonyl phenoxy polyethyleneoxy ethanol	0.5%
Glucosides extracted from lactobacillus fermented solubles	0.5%
Ammonium laureth sulfate	56.0%
Inert Ingredients:	43.0%
Total	100%

(Contains isopropanol)

Net Contents: 2.5 Gallons

Weight Per Gallon: 8.43 lbs. per Gal.

GENERAL INFORMATION

1. Increases water penetration in certain soil aggregates by increasing the rate at which water soaks into the soil.
2. May reduce irrigation water run-off, which may also help eliminate dry and wet spots in the field.
3. Nontoxic and completely biodegradable.

CAUTION

Causes eye irritation. In case of contact with eyes, immediately flush with water for at least 15 minutes. If irritation persists, get medical attention. Keep out of reach of children.

IRRIGATION AID SOIL PENETRANT

A Bio/Chemical Manufacturing Company

P.O. Box 3453 Pasco WA 99302 (509)547-8234

**SHAKE WELL BEFORE USING
CAUTION:
KEEP OUT OF REACH OF CHILDREN**

DIRECTIONS FOR USE

Apply at 4 ounces/acre with each irrigation.

Application Methods:

1. Spray: Apply with common spraying equipment prior to irrigation in a minimum of 20 gallons of water per acre.
2. Drip Systems: Apply during the first 25-50% of the total irrigation time. Inject directly into the drip system.
3. Sprinkler System: Apply during the first 25-50% of each set of the total water run time. Inject into the sprinkler system.
4. Flood or border irrigation: Apply continuously during 100% of the water run time. Meter or drip into the irrigation water at a point of turbulence.

Washington State law requires that EPA-approved safety devices be in use when this product is used in any irrigation system.

CONDITION OF SALE

Seller warrants that the product conforms to its chemical description and is reasonable fit for the purpose stated on this label when used in accordance with directions under normal conditions of use. Since weather, crop, soil, and other conditions may vary, Northwest Ag Products, Inc. and/or seller make no warranty of any kind, expressed or implied, concerning the use of this product. The user assumes all risk of use of handling, whether or not in accordance with directions or suggestions.
